PROTOTYPE ASSUMPTIONS

Values marked `prototype_assumption` are implementation choices required to make the GDD's unresolved mecha

SCENARIO

Explore the cave system, recover the Ancient Power Cell, activate the Ancient Relay, and return at least

Setup:

- Place Cave Mouth.
- Shuffle remaining room cards; place Ancient Relay in bottom 3 cards.
- Each player chooses one crew role and its 10-card starter deck.
- Shuffle each deck and draw 5.
- Set shared Ammo to 8, Scrap to 0, Threat to 0.
- Shuffle encounter and salvage decks.

Win: Ancient Relay activated and at least one crew extracts.

Loss: All active crew are incapacitated.

Loss: Threat reaches 12 and no crew extracts before the end of that round.

CREW

Captain | HP 8 ACC 1 DEF 0

Command: once per turn, another crew in your room may draw 1 then discard 1.

Provenance: `prototype_assumption`

Security | HP 10 ACC 2 DEF 1

Combat Training: first firearm attack each turn gets +1 attack.

Provenance: `prototype_assumption`

Engineer | HP 8 ACC 0 DEF 0

Field Repair: Interact with machinery without spending Scrap once per turn.

Provenance: `prototype_assumption`

Medic | HP 8 ACC 0 DEF 0

Stabilize: Assist restores 2 Health to an injured crew in your room.

Provenance: `prototype_assumption`

Scout | HP 7 ACC 1 DEF 0

Pathfinder: first Move each turn costs 0 actions.

Provenance: `prototype_assumption`

STARTER CARDS

Move [action] captain:2 security:2 engineer:2 medic:2 scout:3

Move to a connected revealed room. You may instead reveal and enter an unexplored connection.

Take Cover [tactic] captain:1 security:2 engineer:1 medic:1 scout:1

Gain +2 Defense until your next turn.

Sidearm [weapon] captain:1 security:2 engineer:1 medic:1 scout:1

Attack an enemy within 2 rooms.

ATK 3 RNG 2 AMMO 1 NOISE 1

Reload [action] captain:1 security:2 engineer:1 medic:1 scout:1

Restore 2 shared Ammo, up to the maximum.

Assist [action] captain:2 medic:2

Assist a crew member in your room; role abilities may modify this.

Search [action] engineer:1 medic:1 scout:2

Search your room if it has not been searched; draw 1 salvage.

Interact [action] captain:1 engineer:2 medic:1 scout:1

Interact with an objective, device, corpse, door, or machinery in your room.

Suppressive Fire [tactic] security:1

Spend 1 Ammo. One enemy within 2 rooms does not move this Enemy phase. Noise 2.

Security Training [skill] security:1

Your next attack this turn gets +2 attack.

Jury Rig [skill] engineer:2

Gain 1 Scrap or ignore one machinery requirement this action.

Triage [skill] medic:2

Restore 2 Health to a crew in your room.

Scout Ahead [skill] scout:1

Reveal an adjacent room without entering it; do not resolve its encounter until entered.

Command [skill] captain:2

Another crew in your room gains 1 action this turn.

ENEMIES

Small Spider | HP 2 ATK 1 DEF 0 MOVE 2

Move toward nearest corpse; if threatened/adjacent to crew, attack. Flee at 1 Health if no corpse is present

Large Spider | HP 5 ATK 2 DEF 1 MOVE 2

Pursue nearest injured crew; feed on corpse in room before moving; retreat one room after feeding if possible

Alpha Spider | HP 9 ATK 3 DEF 1 MOVE 2

Pursue nearest target and attack. Never retreats. May attack other creatures if closer than crew.

Brood Mother | HP 12 ATK 2 DEF 2 MOVE 1

If not adjacent to crew, spawn a Small Spider every other Enemy phase; otherwise attack.

Men of Leng Servant | HP 6 ATK 2 DEF 1 MOVE 1

Keep range 2 when possible; attack, retreat from adjacent crew, and prioritize crew carrying artifacts.

ROOMS

Cave Mouth | connections 2 | not searchable

Collapsed Gallery | connections 2 | searchable
rubble

Flooded Passage | connections 2 | searchable
water

Bone Pit | connections 3 | searchable
Place 1 Spider Corpse.

Fungal Vault | connections 2 | searchable
On entry, lose 1 Health unless a crew discards an Equipment card.

Spider Nest | connections 3 | searchable
Spawn 2 Small Spiders.

Ruined Workshop | connections 2 | searchable

Sealed Threshold | connections 2 | not searchable
Requires Ancient Power Cell or Engineer interaction.

Ancient Relay | connections 1 | not searchable
Interact while carrying Ancient Power Cell; add 2 Threat and activate extraction.

Whispering Dead End | connections 1 | searchable

SALVAGE

Ammo Cache [consumable] - +3 Ammo.

Medical Gel [consumable] - Restore 3 Health.

Useful Scrap [resource] - +2 Scrap.

Armor Plate [equipment] - +1 Defense while equipped.

Shotgun [weapon] - Attack 5, Range 1, Ammo 2, Noise 3.

Translation Fragment [knowledge] - Gain 1 Knowledge; keep after extraction.

Phase Cutter [key_item] - Opens sealed passages.

Ancient Power Cell [key_item] - Activates ancient machinery; required by Scenario 01 relay.

ENCOUNTERS

Skittering in the Dark - Spawn 1 Small Spider.

Fresh Remains - Place 1 Spider Corpse.

Ceiling Ambush - Spawn 1 Small Spider; active crew loses 1 Health.

Unstable Rock - Add 1 Threat. This room costs +1 action to leave this turn.

Dormant Machine - Engineer may Interact to gain 1 Scrap; otherwise add 1 Threat.

Distant Howls - Add 2 Threat.

CORE RULES

Hand 5; Actions 3; Ammo 8/12; Threat 0/12

Damage = $\max(0, \text{attack} - \text{defense})$.

After a noisy attack, add its Noise to Threat. If an unrevealed adjacent room exists, reveal its encounter.

Each searchable room can be searched once; draw one salvage card.

At Enemy phase, a spider sharing a room with a Spider Corpse may consume one. Small becomes Fed (+1 max/

From Entrance, spend 1 action to extract. Extracted crew keep salvage. Scenario succeeds only after the A
